"WITH ONE AIM—TO SERVE STUDENT AND COLLEGE"

Volume XXXIV Santa Ana, California, Friday, January 16, 1959 No. 10

## SAC Officials Expect High 2300 Enrollment

With an anticipated enrollment of 2300 students for the oncoming spring semester, Registrar George Ferron announced that Feb. 13 will be the last day to add courses for credit or to change programs. New courses that have been added to SAC's curriculum include Pool Engineering, for those stu-

dents interested in seeking employment in industry after two years of junior college training in the engineering field.

In the arts department Peter Raven will introduce a new course, lettering and advertisement which will run from 1-4 p.m. Monday and Wednesday.

English 29, Children's Literature, will be offered to those interested in Child Development and will be taught by Mrs. Edna Candy.

Another course in the Nursery School training will be Sociology 39, Child Health. This is a required course for those seeking a Nursery Development Certificate.

In the physical education department, with the construction completion of the new pool, swimming will be offered. Dick Wartens will coach and manage the pool.

English 5, word study, will be offered at 10 a.m. Tuesday and Thursday with Dr. Willis McNelly. This three-unit course is transferable to most four year institutions.

Orientation 2 will be offered in three sections of reading labs this semester under instructors William Corser and Miss Lota Blythe for those who feel a need to increase their reading speed and ability.

## Artist Series Show Tuesday

Pianist Yaltah Menuhin and Cellist George Nikrug will be featured on the Santa Ana College Artist Series program scheduled for next Tuesday in Phillips Hall.

Miss Menuhin, sister of the famous violinist Yehudi Menuhin, has just closed a tour of Europe. Mr. Nikrug, in some opinions is one of the foremost artists in the world on the cello.

"One Man's Theater" will be the subject of Dr. Frank C. Baxter when he visits the SAC campus again March 17 for the third in the Artist Series. The noted literary instructor from the University of Southern California has a busy TV schedule on Shakespeare, science and various other subjects in addition to his classes.

Closing the series April 28 will be Soprano Marni Nixon, who dubbed the voice of Deborah Kerr, in the screen production of "The King and I." Assisting her will be two artists performing Bach works on rare 16th and 17th century instruments. They will also double on the piano and violin.

These three programs will all have an 8:30 curtain with the admission being \$1.00.

The series supplement the productions of the SAC College Players. The next two plays "Ladies in Retirement" and the musical, "The Boyfriend" will be April 9, 10, 11 and May 21, 22, 23 respectively.

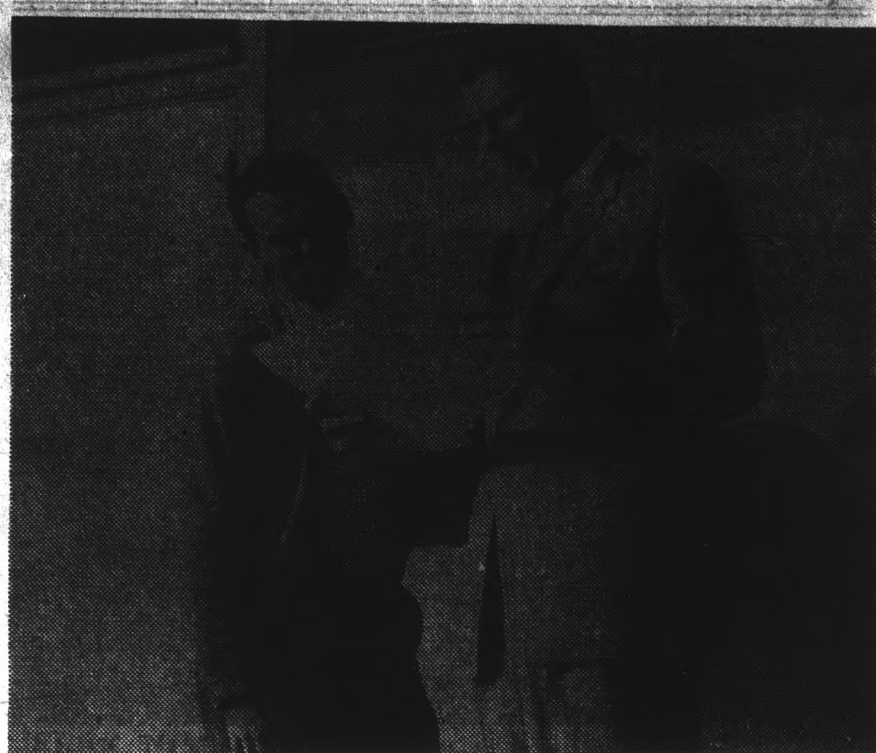

Season tickets for the remaining artist programs and the two plays may be obtained through the drama department for \$4. Those with season play tickets may obtain the three remaining artist programs for \$3.

## Eastern Conference Dance Tickets Now on Sale For Feb. 11 Affair

Tickets for the Eastern Conference Dance, Feb. 11, will go on sale today. The tickets will be sold by all of the new Executive Board and at the campus book store, for \$3. The tickets will be sold exclusively on campus and not at the door.

The dance is the social highlight of the year with all eight Eastern Conference schools gathering at the world famous Hollywood Paladium in the heart of the Sunset Strip.

From 9 p.m. to 1 a.m. the guests will dance to the music of

**JERRY NIMS**, second semester student body president elected last month, prepares for his duties through conferences with Sky Dunlap, Assistant to the President, and other officials before he is installed at the Feb. 5 assembly. — Photo by Norton

## Nims, Lyon, Dallaire, Moore To Take Office

In the A.S. general elections held Dec. 19, Jerry Nims and Kyla Lyon emerged as the A.S. President and Vice-President respectively. They, along with the other members of the new Executive Board, will be formally installed in office at the assembly to be held Thursday Feb. 5.

The office of Treasurer will be filled by Greg Dallaire, a sophomore, who will take over from Dick Unwin.

### Close Race

In the tightest race of the election Judy Moore bested Dolores Russell by a narrow margin, for the office of A.S. Secretary.

Jarrell Mauck will take over from Tom Kirkconnell as the new Sophomore Class President. Assisting Jarrell as vice-president and secretary respectively will be Earle Truax and Luanna Schmutte. Miss Schmutte, Truax and Mauck are now members of the Executive Board as A.S. Secretary, Publicity Commissioner and A.M.S. President.

### Freshmen

Judy Norton emerged as the Freshman Class President after a hard campaign among four initial candidates. Working with Miss Norton will be Vice President Linda Bright, and Secretary Barbara Newman. Freshman representatives to the A.W.S. and A.M.S. will be Nancy Stebbins and Sue Larson, to the A.W.S., and Dwight Stephens to the A.M.S.

Sophomore Sharon LaBonte, will be the new A.W.S. President when the present one, Miss Lyon, becomes the A.S. vice president. Miss LaBonte is now the Social Commissioner. Assisting Miss LaBonte as vice president and secretary-treasurer will be Mary Sullivan and Noel Rife.

### A.M.S. Offices

Jose Cuervo ran unopposed for the office of A.M.S. President which he will assume when the Spring Executive Board takes office. Working with Cuervo as vice president and treasurer will be Jack Lentz and John Mitishele. A.M.S. secretary will be Bob Elkins.

The total votes cast amounted

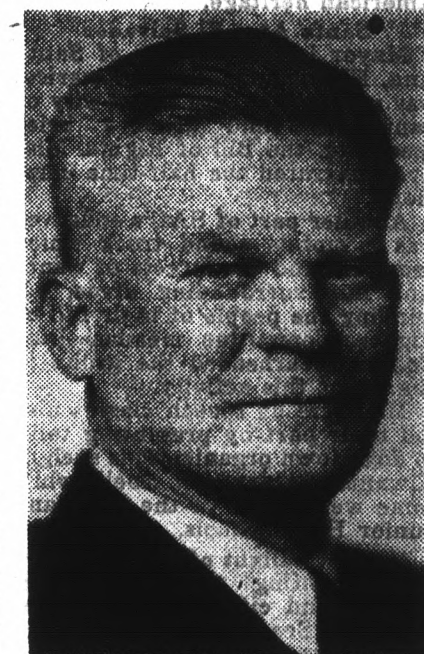

to 220. This is 22 per cent of the total number of student body card holders. These figures compare poorly with the national average of 53 per cent and last Spring's A.S. average of 45.7 per cent.

Most offices were decided in the primary elections held on Wednesday, Dec. 17. Only the freshman offices and write in candidates for the A.M.S. and Sophomore Class were decided in the final election held on Friday.

## Glenn Retires From Teaching

Mr. Thomas H. Glenn, chairman of humanities at SAC, has retired. His resignation was accepted by the Board of Education at their regular meeting Tuesday night.

Mr. Glenn has been on a leave of absence during this semester, and his retirement is effective as of last June. During his absence

**Thomas H. Glenn**

Lee Ford, drama chairman, has been acting chairman of humanities.

Since retiring, Mr. Glenn has been traveling all over the world. He stated that he has been to Europe 20 times, to the South Pacific twice, around the world twice, and to the Mediterranean area once.

An outstanding lecturer on the college faculty, he was longtime chairman of the English department before his appointment as chairman of humanities. His main lecture fields have been in English literature, Shakespeare and related subjects, and travel.

Mr. Glenn was a co-sponsor of the Tavern Tattlers along with Miss Lota Blythe, and advisor for the Tavern Post, campus literary magazine.

REGISTRATION involves many, many forms, finds Freshman Carol Smith as she begins all the paper work. This is a familiar scene in the Registrar's building as the close of first semester nears. — Photo by Schlice

### EDITORIAL . . .

## What Are You Going To Do?

YOU are not supporting YOUR winning college basketball team —  
Nor YOUR planned and entertaining college assemblies —

Nor YOUR other numerous college functions.

What are YOU going to do about it?

You could begin by attending tonight's basketball game, and fortifying the meager attendance that have filled part of one side in our spacious Cook Gym. The boys on the team have been playing for our college — and doing a good job of it. Is there no appreciation?

Assemblies too have been receiving a notoriously small audience even though there are no classes scheduled for that time, or other convenient distractions. These have been painstakingly planned through time, effort and A.S. funds for you, the student body — but where is your participation?

And what about student government? Do you think that presenting only one candidate for the major student offices is any kind of participation? We don't think so. The percentage of A. S. card holders who voted in the past election was not any indication of enthusiasm, either. What are you going to do about it?

What the governing body of Santa Ana College is doing with your laws and finances should be of interest to every student. Starting right now — without waiting for someone else to lead you — attend Board meetings, or volunteer for committee work, or at least give the student officers your interest in their actions.

Other functions of the student body, social or otherwise, are also worthy of your attention and attendance. To inform you of the many activities coming up on the calendar in the very near future, the El Don plans to run a schedule for your convenience, and especially for your participation.

M.A.H.

**PATRIOTIC POSTER PAINTERS** — Left to right, Glen Gellatly, Judy Hamilton, Helen Camp, are the 1958 Bill of Rights poster winners being presented their awards by co-chairman of the Bill of Rights Week, Jarrell Mauck. Miss Camp won first prize; Arthur Fate (not pictured), second prize; Mrs. Polly Dane (not pictured), third prize; and Gellatly and Miss Hamilton received honorable mention.

(Photo by Norton)

## Bill of Rights Week Report Being Completed

By Ken Esse and Maxine Harris  
Bill of Rights Week Co-chairmen Kyla Lyon and Jarrell Mauck are presently hard at work compiling the reports of Santa Ana College's efforts in a scrapbook for presentation to the Committee for judging.

Their report includes pictures of the week's events and articles written by SAC students to explain all of the activities involved. Most colleges in Southern California are making such a report.

The Bill of Rights Commemoration Committee, headed by Joe Crail, then has the job of picking the best college effort from all of the Southern California schools.

Santa Ana College's observance of the Bill of Rights Commemoration started during the half-time of the Santa Ana-Orange Coast football game when bands from both schools serenaded the stands with marches and numbers of our American heritage.

**Santa Ana, El Salvador**  
Mayor Lopez y Lopez of Santa Ana, El Salvador, South America, was presented a key to the city of Santa Ana, and gave a brief speech on the Bill of Rights. Miss Lyon narrated the half-time ceremony.

Another part of SAC's endeavor was a mobile sound truck which drove around the streets of Santa Ana and surrounding areas, reminding the people of their Bill of Rights. Committee member Dick Collins spearheaded the group in charge of this activity.

Members of speech classes also did their part by presenting talks to downtown organizations such as Kiwanis, Rotary and Ebells, while some were given at the High and Junior High Schools.

**Highlight of Week**  
Highlighting the week of campus and city-wide observance was the Second Annual Bill of Rights Assembly held in Phillips Hall on Dec. 11. Speakers were Congressman Richard Hanna, Santa Ana attorney; Santa Ana School Board member Charles Schlegel; Dr. John R. Tuft of SAC's evening faculty; and Assistant to the President and Community Relations man John Sky Dunlap.

During the assembly two Supreme Court cases were reviewed by Mr. Schlegel, Mr. Dunlap, and Dr. Tuft which head decisions interpreting the Bill of Rights.

**Man on the Street**  
"Man on the street", another part of Bill of Rights Week, was implemented when Bob Matthews and Jarrell Mauck located themselves in front of Sam Hurwitz Clothiers on 4th Street in Santa Ana.

Questions they asked of the passing pedestrians were, "Do you know the five freedoms mentioned

in the Bill of Rights? "Do you think we should have a Bill of Rights? And "Were you ever taught about the Bill of Rights while in school?"

Jarrell Mauck's reply as to the answers stated, "Most of the Bill of Rights, but had heard something of the freedoms; whether there were five or not, they did not know. There were, of course, some exceptions."

**Poster Contest**  
A campus poster contest was held during the Bill of Rights week which was under the direction of Miss Francis Egge, art department head. First prize of \$5 went to Helen Camp, second prize to Arthur Fats, and third prize to Polly Dane.

El Don Editor, Maxine Harris used one of the rights — freedom of the press — by writing an editorial on why we should observe the Bill of Rights, "not for just this week but for every week in the year."

### Committee Members

Faculty advisors were Earnest Crain, Dave Hartman, C. Lee Ford, William Corser, Miss Lota Blythe and Miss Agness Todd Miller. Members of the A.M.S. and A.W.S. who offered their assistance were Matthews, Gregg Dallaire, Collins, Noel Rife, Kay Carstensen, Judy Moore, Delores Russell, Judy W. Lewis, Carol Smith, Carol Hyle and Violet Craemer.

## Harris Continues as Editor, Announces New Staff Changes

By Earle Truax

Maxine Harris will continue to hold the job of Editor-in-Chief of the El Don. This will be Miss Harris' fourth semester on the staff of the El Don. Prior to this she has been a reporter, Feature Editor and Editor-in-Chief.

Assisting Miss Harris as Associate Editor will be Earle Truax, it was announced today.

## Adult Classes Still Available

Registration is still available for the Adult Education winter evening classes which are held on the campuses of Santa Ana College, Santa Ana High School and Smedley Junior High School.

Information concerning the non-college-credit courses may be obtained by contacting the Adult Education office in the SAC engineering building.

Courses in bookkeeping, child growth, languages, driver education, management and trades are

## ORANGE COUNTY AAUN TO MEET

Santa Ana College's Student Union will be the scene of the annual dinner of the American Association of the United Nations, Orange County Chapter, Jan. 28.

Charles Mackintosh, a consulting engineer and vice president of the Southern California AAUN Regional organization, will address the members on "An Engineer Looks at the United Nations."

Reservations for the dinner may be made with Earnest Crain. Tickets are \$2.50, with a possible student reduction available.

The only change in the staff assignment sees Ken McKluskey replacing Ken Esse as the Business Manager.

Freshman Don Andersen will continue as Sports Editor. Andersen comes to Santa Ana after an outstanding career in the field of high school journalism and also has worked on the staff of two local newspapers.

Judy Norton, the Freshman Class President, will continue in her present job as Feature Editor. Sophomore Dick Wyatt will be the lone reporter on the staff. Due to the small enrollment in journalism Wyatt finds himself alone in the straight reporting field.

Mike Reedy and Bob Schlice will continue as the two photographers.

Besides working on the El Don staff members will have opportunities to gain knowledge from men and women in the field of professional journalism during the semester. They will attend the California Newspaper Publishers Association meeting at San Francisco on Feb. 6, 7, and 8. Staffers attending will be Miss Harris, and Don Andersen. Mr. and Mrs. Sky Dunlap and Carl Venstrom are also going to attend.

## Publicity Commissioner Truax Finds Job Needs Many Posters

The person that cannot draw a straight line — even with a ruler — would need a lot of help with all the posters that have to be done when holding down the job of publicity commissioner, stated Earle Truax, presently holding that office.

It is his job to clear and regulate the publicity that goes up on campus, and to publicize campus functions. He has been operating with a committee of volunteer workers throughout the fall semester.

This is just one of the jobs that Earle has held while at Santa Ana College. In the past, making use of his political talents, he has held the jobs of freshman class president, Associated Men Students President, and will be sophomore class vice president for the coming semester. He has been a member of the Executive Board for three semesters.

Earle, who spent three years in the U. S. Marine Corps, was born and raised in Rye, New York, where he graduated from high school. He is presently majoring in journalism, and plans to transfer to either the University of California at Berkeley or San Jose State College.

Being very active in the various campus organizations, Earle is now president of Tavern Tattlers, and is a member of the Veterans Club, the Young Republicans Club, the Knights, and the Press Club.

Anyone interested in the College Choir please register for the Mon. and Wed. class at 2 p.m. or the Tues. and Thurs. class at 1 p.m., urges choir director James Vail. Mr. Vail is willing to talk over schedule problems.

## CLASS PLANS ASSEMBLY

The Santa Ana College Drama Department plans on starting the new semester with a bang, with the presentation of a musical talent revue to be held Thursday, Feb. 5 at 11 a.m. in Phillips Hall.

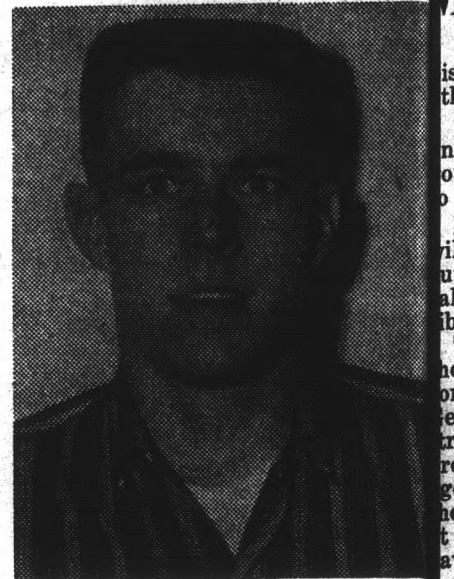

At the same time an introduction and installation of the new student body officers of Santa Ana College will be held with the presentation of pins to the incoming members by the retiring officers.

Also at this assembly, the Eastern Conference Queen candidates will be presented.

The musical portion of the show will feature numbers from the Broadway musical hit, "Guys and Dolls", including piano comedy, singing and dancing including the songs, "Wonderful", "It Had To Be You", "Be a Clown", "Red Hot Mama", and many others.

Betty Lee Dayton is directing the drama class's portion of the program, and Dick Unwin will be the announcer as well as performing at the piano.

Present Assembly Commissioner Mary Sullivan has been helping with arrangements for the assembly, and expects a good attendance. "Let's get the new semester started right," she urged.

Earle Truax

## Music Groups Give Program

Presenting its first musical program of 1959 was the Santa Ana College Choir who sang for the Orange County Savings and Loan League at the Irvine Coast Country Club last night.

Assisting the musical group were members of the instrumental music department. Choir director James Vail organized the program which will again be presented to the community at Willard Jr. High School at 1 p.m.

An accordion solo by Violet Craemer and a trumpet solo by Bob Fenster highlighted the instrumental portion of the program.

Kay Carstensen was featured in a soprano solo singing "Carra Nome." A tenor solo was presented by Bob Campbell who sang "Without a Song."

Featured singing groups were a newly-formed trio of Maxine Harris, Mary Sullivan, and Joan Woods. Campbell, Tom Morris, Robert Seigler, and Fred Koehler made up a men's quartet.

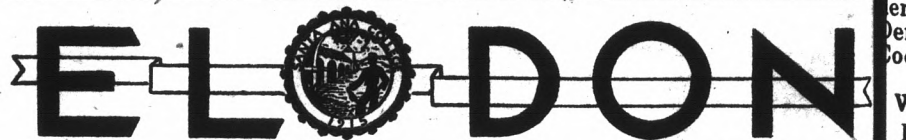

The 23 members of the Melodons presented to the audience "O, Soldier, Soldier," and "Little David, Play on Your Harp." Mrs. Doug Lamont accompanied the vocal groups.

Mr. Clifford Rothrock, SAC baseball coach, went along as faculty supervisor to introduce the groups.

## SAC Art Display To Open Monday

Monday an art display of Santa Ana College students' work will open in the College Art Gallery which will include ceramics, crafts, drawing, exploratory art, paper mache, mosaic and other paintings.

Exhibits are free and will be open from 10 a.m. to 4 p.m. Monday through Friday, and from 6:30 to 8:30 p.m. Monday through Thursday. The Gallery is adjacent to Phillips Hall in the Fine Arts section.

## THERE'LL BE SOME CHANGES MADE TODAY

"Hey, get your elbow out of my piston rings. Can't you find some other place to work?"

"Take it easy, buddy. This place only holds three at the most. If you bring that in here, we'll have to work from the rafters."

No more complaints of this type will be heard coming from the old auto shop building, or should it be called "The House of Seven Horrors."

The sight of the new, spacious shop buildings going up is a welcome relief, especially to Mr. George Sweeney, auto trades instructor, who works under the pressures of teaching on the average of 30 students per class in a shop that will only hold three cars at the most. "And even then you have to push," laughed Mr. Sweeney.

Changing from a 40' x 70' structure to two buildings, one main building 60' x 90' and two stories high, and a diesel building 20' x 40', will make quite a difference in the workings of the students and teachings of the instructor.

All of Mr. Sweeney's classes are filled and the majority of Mr. Erlin Pirtle's classes are filled to the point of squeezing with the capacity of only 30 to a class. The new class room, located on a mezzanine in the new main shop building and Loang, will be able to hold 30 to 40 students comfortably for the lecture periods.

Also located on the mezzanine in the new building will be the instructor's office. Down on the main floor is space for ten cars, all the connections for the electrical equipment used in working on cars, and an industrial wash basin

**THE FOUNTAIN OF YOUTH?** — Not quite the fountain of youth, but quite an addition in the new shop buildings. Marveling at the strange industrial wash basin are K. A. Ferguson, left, Santa Ana City School maintenance man, and construction worker J. E. Ricketts, who is with the California Federal Construction Co. working on the new building. — Photo by Venstrom

with a lever around the bottom to turn on the water. There are also accommodations for the lubrication rack with the hoist and the steam cleaning apparatus to be inside where work of that type can be done on rainy days.

The opening of the new buildings will be tentatively in four weeks. Everything was packed and

ready to move in December, but due to the delay in the arrival of the electrical transformer, the students still remain in the old building.

When the big move comes, the students will move about 60 per cent of the equipment with the board taking care of the heavy equipment.

## German for a German-- What Could Be Next?

Why would anyone who speaks German be enrolled in a beginning German course?

Mrs. Ruth Jenkins gave several reasons for doing so: "I have a chance to improve my English, brush up on my German grammar—and I am majoring in foreign languages."

Mrs. Jenkins moved from Pomerania, Germany, eight years ago, and now finds few occasions to speak with others in her native tongue.

In her major of foreign languages, she is concurrently taking French with both of her language courses being under the instruction of Dr. Frederick Swensen. "I find he is so perfect in his knowledge of European languages, literature, art, and culture, I am discouraged," she admitted, but contended that she is making fairly good grades. She has a great respect for the students who are taking the pains to learn foreign languages.

"All of my courses are in languages that are foreign to me," she went on, "because they are taught in English."

Mrs. Jenkins is in hopes that advanced language courses will be offered, particularly in French. If not, she plans to transfer to Long Beach State College after next semester. Her eventual vocational aim is to go into the field of interpreting.

Mrs. Ruth Jenkins

She is very earnest in her quest to improve her English and laughed, "I am almost afraid to read the many books I have that are written in German. I don't want to get wrapped up in German and forget the English I know."

## Hi-Fi and Most Parties

When we go to a party, invariably we find that we're cornered somewhere by quite a few people asking questions about the type of high fidelity equipment that they should buy. Somehow, people begin to feel that the high fidelity business is like the medical profession where, if you are able to describe your symptoms to a doctor at a party, you save a five-dollar office call.

Well, this is very flattering and when we are hard pressed, we will admit that we do a good job of prescribing the right equipment to give you the best music reproduction for your hard-earned dollar.

But we would much rather stand around at parties and talk about how the world won't last another ten years at this rate.

And it doesn't cost anything to come into our store and talk to us while we have the full demonstration facilities to help you decide on what to buy. For one thing, we have a complete switchboard so that you can hear instantaneous comparisons between amplifiers and speakers. For example, we have the full line of University speakers, and nearly every nationally advertised hi-fi product on display.

Finally, there's never much of a sales pitch. We'll help you and advise you but we want you to relax and take your time.

We're open every night until nine and we'll be glad to see you.

P.S.

Check with us about our EICO kits for the do-it-yourself addict. Save over 40 per cent by following easy step-by-step instructions.

**HIGH FIDELITY Associates**

1812 N. Main St.

## Candid Campus

BY JUDY NORTON

### RADIO CLUB

The electronics department of Santa Ana College boasts the formation of a new club known as the Santa Ana College Radio Club under the able guidance of George Carrier, electronics instructor.

The purpose of the club is to get together all those who are interested in electronics of some form or another and to meet for both hobby and useful purposes.

The new radio club is in close contact with a national program known as the A. R. R. L. which, in case of disaster or emergency, will call upon the club to be of aid to both the school and the community.

Much has been accomplished by these clubs throughout the country, such as in floods, earthquakes, and war.

The club, through the Santa Ana College radio station K6EQF, will keep the students and faculty in contact with the rest of the world at all times.

### CIRCLE K

New Circle K officers for next semester are president, Barry Bosworth; vice-president, Bob Pilchard; secretary-treasurer, Alan Leonard; and program chairman, Don Andersen.

### VETS CLUB

Heading next semester's organization of the Vets Club will be president, Bob Shirley; vice-president, Ralph Gregory; secretary, Penny Martin; and treasurer, Art Cooper.

### WOMEN'S SERVICE CLUBS

Formal acceptance dinners for the new members of the Women's Service Clubs are being given during the month of January.

Las Meninas formally accepted their new members at a dinner at the Villa Marina Jan. 7. Those who wished to go down in a caran met at 1315 N. Olive at 6:15. Las Hidas acceptance is coming up Jan. 29 at the Water Wheel.

Since their formal acceptance dinner was early in December, Las Gitanas went through their initiation ceremonies instead Jan. 5 at the home of Mrs. G. E. Martin.

New officers for Las Gitanas are: Mary Miles, president; Joan Camaro, vice-president; Jean Anderson, secretary; Violet Craemer, treasurer; and Rosalin Peterson, historian.

### A. W. S.

The Associated Women Students wish to thank the students, clubs, and faculty who responded so willingly to the Christmas appeal for canned food and old clothing for needy families and for the Save the Children Federation. According to A.W.S. president, many useful things were collected with enough to go around.

### I. R. C.

At an 11 a.m. meeting last Tuesday of International Relations Club, Marta Villanea of Costa Rica was elected president for the fall semester.

Other officers working with Marta will be vice-president, Riaz Toufigh of Persia; secretary, Judy Dombrowski; treasurer, Flor

Ugalde of Costa Rica; I. C. C. Representative, Violet Craemer; and I. C. C. alternate, Cherine Backman.

Following elections the new vice-president, Riaz Toufigh, gave an informative speech on the Bahai religion, the main religion of Persia. He told some of his beliefs and why he believes that way.

### LUTHERAN STUDENTS

Lutheran Students set up a meeting for the benefit of the foreign students here on the college campus Jan. 7 at the United Lutheran Church on S. Bristol.

The especially invited foreign students were privileged to hear as guest speaker, Mrs. E. B. Kholls. Mrs. Kholls has had much experience in working with foreign students in this country.

Carl Venstrom — Publications Wing

## H. T. Beatty Named SAC Grid Coach

More than a month of speculation as to the next Don football coach was ended this week when the Santa Ana College trustees officially named Homer Beatty of Bakersfield College to the vacated position.

Coach Dick Hill resigned following the 1958 season to go back into high school coaching. Hill guided the Dons to a 15-3-1 record in his two seasons at Santa Ana College, best mark in the conference.

### Bakersfield Tough

Beatty, a long time favorite at Bakersfield where his teams have always been powerhouses, was forced to leave the Bakersfield area when his wife came down with "valley fever." His record at Bakersfield was 53-7-2. He had a previous 47-15 record at Bakersfield High, starred for the Trojans and the old Los Angeles Bulldogs.

The Renegades gave Eastern Conference titlist Riverside the only defeat of the 1958 season, before some 20,000 fans in the Potato Bowl by a 7-0 score. Beatty's Bakersfield eleven ranked second in the nation in final Chapman Index ratings. His first 1953 team, undefeated and untied, was No. 11 nationally and beat Northeastern Oklahoma in the Junior Rose Bowl.

### Hill to Valley

Hill leaves Santa Ana College to accept the head football position at the new Santa Ana Valley High, opening in September. He previously coached at Downey High before coming to SAC in 1957.

Assistant coach Stan Hayden also has resigned but has not disclosed his future plans.

## Don Wrestlers Upset Chaffey By 21-17 Count

### By Bob Matthews

In their initial match of the 1959 season, the Santa Ana College wrestling team came through with flying colors to beat the Chaffey Panthers 21-17 in Cook Gym.

"This win is just what SAC needs to boost the spirit in wrestling," stated Coach George Farrier immediately after the match.

### State Meet Here

Plans are now underway for the first California Junior College Wrestling Tournament to be held in Bill Cook Gym March 13-14. At least 300 competitors are expected to participate from some 50 colleges.

Last week in the Chaffey match, the underrated Dons grappled their way into the spotlight on the campus along with basketball. This Tuesday, the Pirates raid the SAC campus to pit their wrestling skill against the "Farriermen" at 8:00 p.m. in Cook Gym.

### Chaffey Results

Results of the Chaffey match are as follows:

(Dons Listed First)

123 — Larry Keith over Chaffey, default, 5 points, SA.

130 — Joe Keith over John Bushore, pin, 5 points, SA.

137 — Joe Mitzel over John Hood, pin, 5 points, SA.

147 — Brent McCormick over Carl Myer, 5 points, SA.

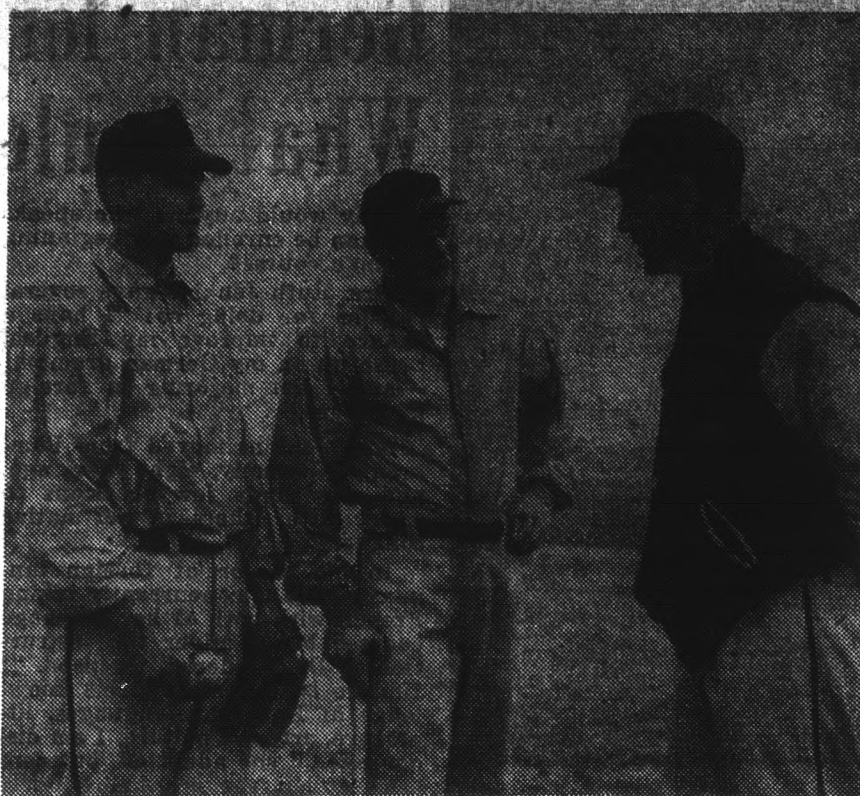

157 — Bill Buckland defeated by Dave Bower, 5 points, Chaffey.

167 — Bob Matthews defeated by Hank Lomax, 5 points, Chaffey.

177 — Mike Rodriguez and Laverne Puffpuff drew, 2 points each team.

191 — Jerry Ruce defeated by Marty Castro, fall, 5 points, Chaffey.

Heavy — Steve Solindh over Jerry Shaw, fall, 5 points, SA.

**TALKING IT OVER** — Completed plans for Santa Ana College's first annual Baseball Clinic are discussed by coach Cliff Rothrock, right, and John Wilson and Loy Coon, center.

## Spotlight on Sports

By Don Andersen

Industrious baseball coach Cliff Rothrock, attempting to put Santa Ana College baseball back on the level at which it belongs, has come up with another promotion idea.

Already on tap is the 11st Annual Santa Ana College Baseball Clinic reported elsewhere on this page. Now comes the new idea: When the Dons open the 1959 season against Compton on February 10 on Don Field, Rothrock would like to see some real student and community support. His idea is to have interested clubs on campus form a parade, complete with floats and all the trimmings, and parade through the streets of the campus to the ball field shortly before gametime. The floats will be constructed by the clubs with a \$15 expense limit and a maximum two cylinder engine with a special award going to the club with the most unique float.

When the Don basketballers scored 102 points against Citrus last Tuesday it was only the third time in the last seven seasons that the Dons have topped the century mark. Last season they whipped Porterville 105-87 and in 1952-53 they edged Chaffey 101-100.

Ken Purcell and Milt Burleson, now Don basketball teammates, once had one of the most exciting scoring duels ever witnessed. Ken playing for Orange High and Burleson for Santa Ana High, two seasons ago, met in a Sunset League tilt in SAHS's Andrews Gym before a packed house of about 500. The Panthers (Orange) had a terrific team and an undefeated conference record while coach Bob Wilhelm's Saints were only so-so. After one of the most exciting games had been completed the tabulations revealed that the Saints had come out on top 57-56 and Burleson over Purcell 30-29. Milt notched 18 of 20 free throws during the course of the evening.

Tonight's Don-Fullerton clash will be broadcast starting at 7:55 direct from Fullerton Gymnasium.

Radio station KWIZ is getting excited on Orange County basketball, broadcasting two games a week (Tues. and Fri. or Sat.) and initiating a new Saturday morning sports presentation.

## Basketeers Lead EC; Face Hornets Tonight

Holding two impressive Eastern Conference wins in two outings Coach Bob Boyd's Dons face their sternest test of the EC season tonight when they meet the highly regarded Fullerton Hornets in Fullerton. Gametime is 8:00 p.m. Led by uncanny shooting by 6-5 forward Ray Butler the Dons have toppled Riverside and Citrus in two Eastern Conference tilts. The Dons clocked Riverside 92-67 last Friday and clobbered Citrus 102-76 Tuesday.

Butler assumed the conference scoring lead by notching 29 and 33 points in the two games.

In the Citrus clash the Dons poured it on in the second half after leading by only 46-36 at intermission. Besides Butler's 33, five other Dons hit in the double figures: Dave White, high scorer last year, tanked 17, Phil Livesay and Gary Dutro 11, Ken Purcell 12, and Paul Collier 10.

Going into tonight's play the Dons and Orange Coast are tied, each with two wins in as many outings. The Pirates were forced to battle all the way before edging Citrus by one point and had

to come from behind and play phenomenal ball in the second half before stopping Fullerton last Tuesday.

In other EC games tonight Chaffey is at Orange Coast, Citrus at Riverside, and Mt. San Antonio at San Bernardino. The Don-Horn clash will be broadcast by Santa Ana's radio KWIZ starting at 7:30 p.m.

## SAC Sports Editor Starts Radio Show

Don H. Andersen, El Don sports editor, makes his radio debut tomorrow morning when he presents the first edition of his "Sports Page of the Air" on KWIZ (1480 on the dial) at 8 a.m.

The show is slated to run for half an hour every Saturday or throughout the basketball season and will feature scores and highlights from the Orange County high school and college basketball scene. Interviews with players and coaches and the top records of the week will also be featured during the course of the show.

## Pre-Clinic Plans Near Completion

Plans for Santa Ana College's first annual Baseball Clinic scheduled for February 12 and 14 were near completion today as baseball coach Cliff Rothrock released names of numerous baseball "names" who are taking part in the promotional two-day event.

Rothrock revealed that on Thursday, Feb. 12 the clinic will be geared to instruction of junior high, high school, college, semi-pro and pro type baseball while on the second day instruction will be levied at the younger set. Little leaguers and Babe Ruth Leaguers from all corners of Orange County have been invited to attend and learn baseball from such outstanding men in the field as Bobby Adams, of the Chicago Cubs and Rod Deauux, baseball coach of the University of Southern California's national champions. Also on hand will be some of Orange County's outstanding high school coaches for both days of the program.

The Dons open the 1958 season schedule meeting Compton on Don field on Feb. 10.

Coach Rothrock, in preparation for the Feb. 10 opening, has his tentative squad of 17 members working out nightly on Don field. Of the 17, four are lettermen. The list of prospective squad members

includes Gary Sawyer, Larry Fletcher, Al Brandel, Jerry Ducot, Bill Mott, Glen Gellatly, Harry Fulson, Lynn Stucker, Jerry Burns, Fred Schields, Bob Yorker, Joe Cottrell and Ken Purcell, along with lettermen John Wilson, Nat Glover, Ronnie May, and last year's Most Valuable Player Loy Coon.

Coach Rothrock has come up with another promotional angle to open the Don season on a spirited note. Rothrock proposes that each club on campus build a float and on Feb. 10 when the Dons open against Compton a cross-campus parade be held which would wind up at the ball field. A \$15 expense limit would be placed on each float with the winning club receiving an award.

The Dons baseballers will attempt to spread the name of SAC throughout the Southland when they go on a seven-day barnstorming tour during the Easter vacation.
